## What is Dyslexia?

Dyslexia is a learning disorder that affects the way a person reads, writes, and spells. It is a common disorder, affecting about 10% of the population. Dyslexia is caused by differences in the brain that make it difficult for people to process language.

## How Can Decodable Chapter Books Help Dyslexia And Struggling Readers?

Decodable chapter books are specially designed to help children with dyslexia and struggling readers improve their reading skills. These books use simple, decodable words that are easy for children to sound out. The stories are also engaging and interesting, which helps to keep children motivated to read.

## **The Adventures of Max & Liz**

The Adventures of Max & Liz is a series of decodable chapter books that are perfect for children with dyslexia and struggling readers. The books follow the adventures of Max and Liz, two friends who love to explore and have fun. The stories are full of action and adventure, and they are sure to keep children entertained.

The Adventures of Max & Liz books are written by a team of experienced educators who understand the challenges faced by children with dyslexia. The books are carefully designed to provide children with the support they need to succeed in reading.

## **Benefits of The Adventures of Max & Liz**

The Adventures of Max & Liz books offer a number of benefits for children with dyslexia and struggling readers, including:

- Improved reading fluency
- Increased reading comprehension
- Enhanced vocabulary
- Improved spelling
- Increased motivation to read

## **How to Use The Adventures of Max & Liz**

The Adventures of Max & Liz books can be used in a variety of ways to help children with dyslexia and struggling readers. The books can be read aloud to children, or children can read them independently. The books can also be used as a supplement to other reading instruction.

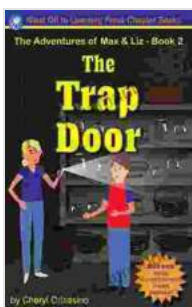

When reading The Adventures of Max & Liz books to children, it is important to focus on the following:

- Decoding the words
- Understanding the meaning of the words
- Comprehending the story

It is also important to provide children with plenty of opportunities to practice reading. The more children practice, the better they will become at reading.

The Adventures of Max & Liz is a valuable resource for children with dyslexia and struggling readers. The books are engaging, educational, and effective. They can help children to improve their reading skills and to develop a love of reading.
