About the Trilogy

Earth Magic is a new magic trilogy that follows the story of three young people who discover they have magical powers and must use them to save the world from an ancient evil.

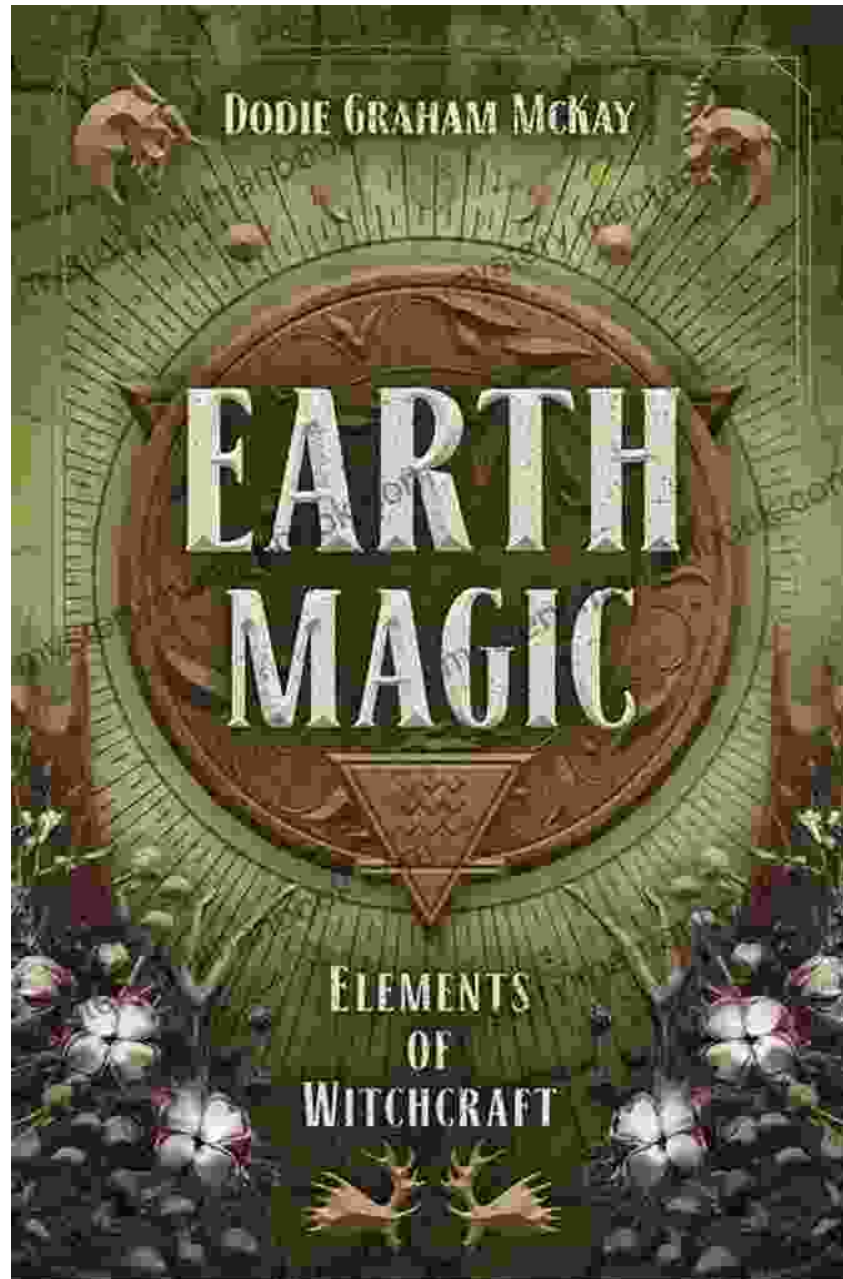

The trilogy begins with "Earth Magic: The Awakening," which introduces readers to the three main characters: Sarah, a shy and introverted girl who discovers she has the power to control earth; Jake, a confident and outgoing boy who discovers he has the power to control fire; and Emily, a smart and resourceful girl who discovers she has the power to control water.

The three friends quickly learn that they are not alone in their newfound abilities. They are part of a group of young people who have been chosen to protect the world from an ancient evil that is threatening to destroy it.

The trilogy follows the three friends as they learn to use their powers, fight against the forces of evil, and ultimately save the world.

The Characters

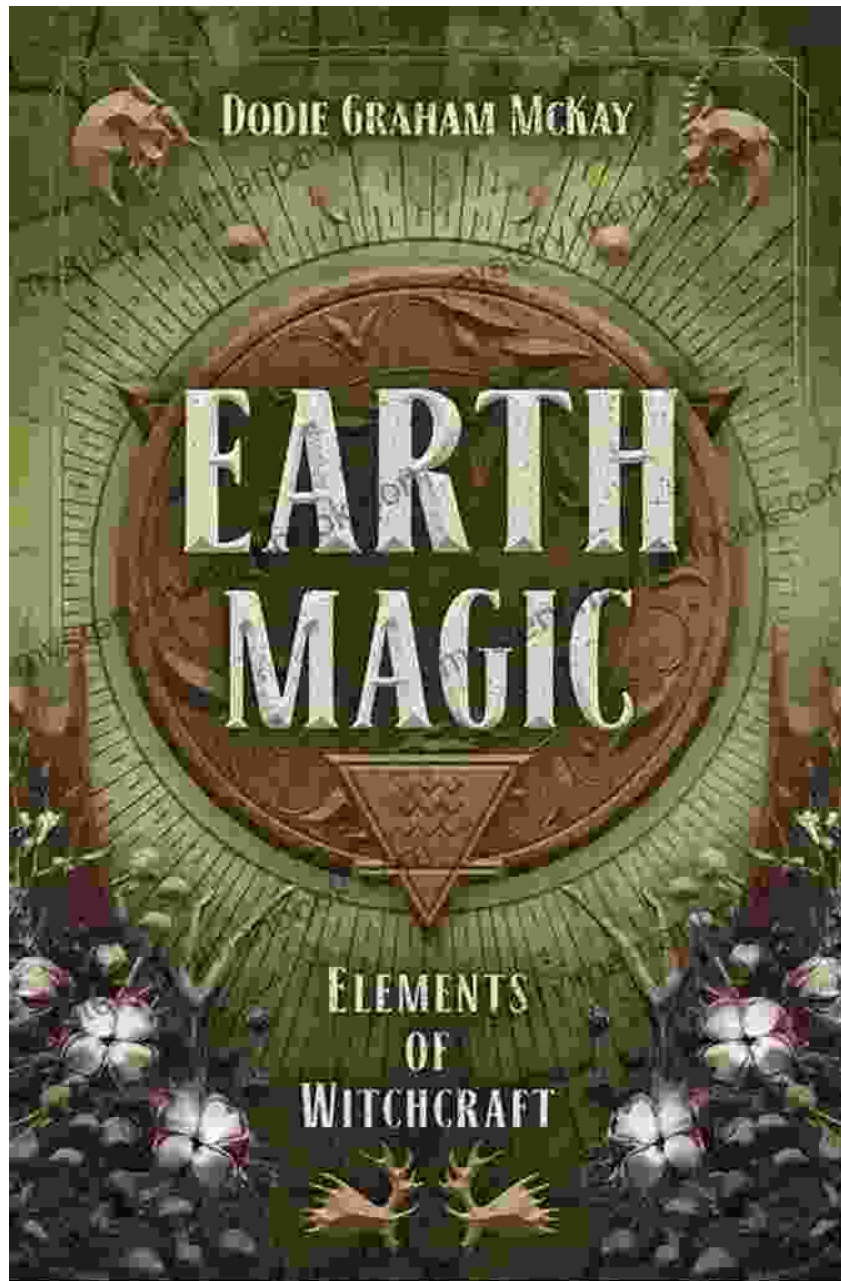

Sarah

Sarah is a shy and introverted girl who discovers she has the power to control earth. She is initially overwhelmed by her new powers, but she quickly learns to use them for good.

Sarah is a kind and compassionate person who always puts others before herself. She is also a loyal friend and a fierce protector of those she loves.

Jake

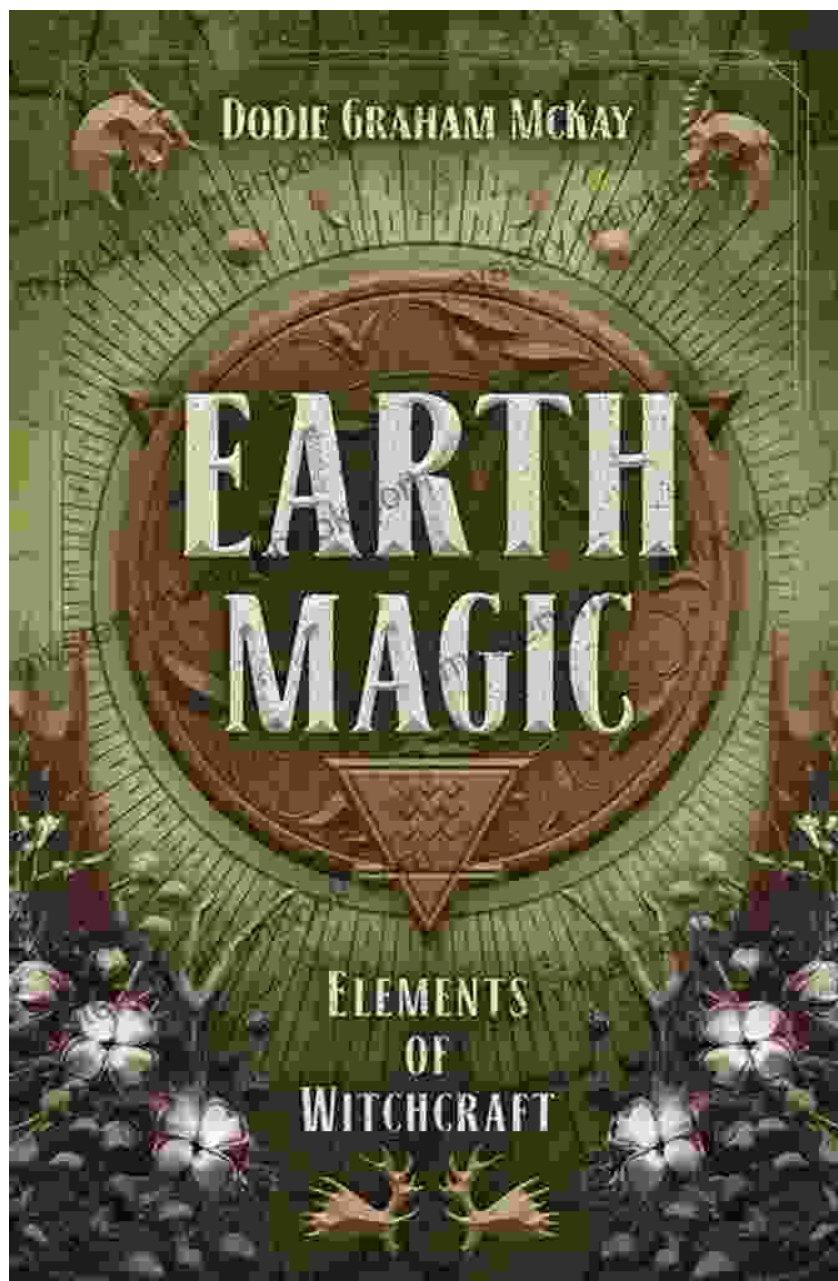

Jake is a confident and outgoing boy who discovers he has the power to control fire. He is initially drawn to the power of his magic, but he quickly learns that it comes with great responsibility.

Jake is a brave and courageous person who is always willing to stand up for what he believes in. He is also a loyal friend and a fierce protector of

those he loves.

Emily

Emily is a smart and resourceful girl who discovers she has the power to control water. She is initially unsure of her abilities, but she quickly learns to use them for good.

Emily is a kind and caring person who always tries to see the best in people. She is also a loyal friend and a fierce protector of those she loves.

The Setting

The Earth Magic trilogy takes place in a world that is very similar to our own, but with one major difference: magic is real.

The trilogy is set in a variety of locations, including forests, mountains, and cities. The characters also travel to other worlds, such as the Netherworld and the Shadowlands.

The Themes

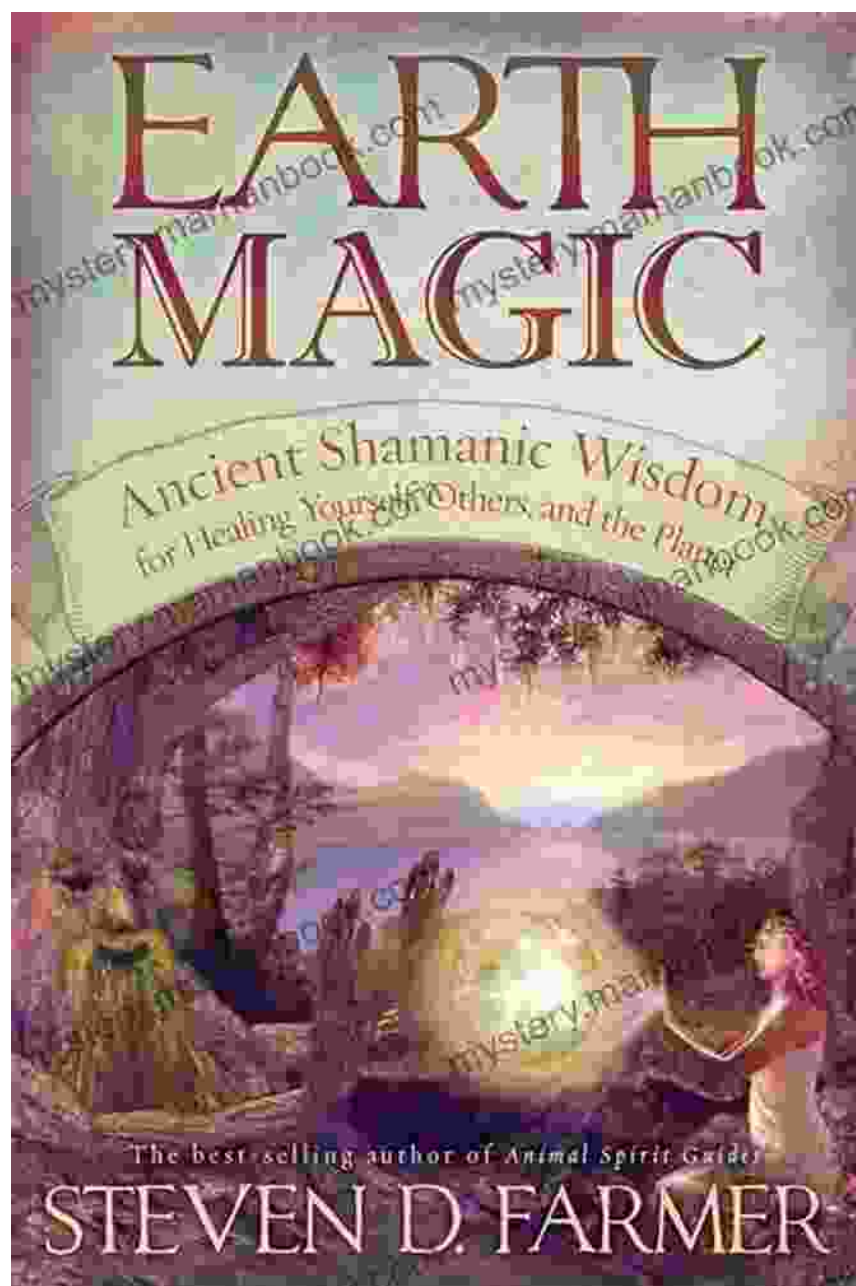

The Earth Magic trilogy explores a variety of themes, including friendship, courage, and sacrifice.

The trilogy teaches readers the importance of friendship and how it can help us overcome any challenge. The trilogy also teaches readers the importance of courage and how it can help us to stand up for what we believe in.

Finally, the trilogy teaches readers the importance of sacrifice and how it can sometimes be necessary to give up something in order to achieve something greater.

The

The Earth Magic trilogy is a thrilling and exciting adventure that will appeal to readers of all ages. The trilogy is full of action, adventure, and romance,

and it will leave readers wanting more.

If you are looking for a new fantasy trilogy to read, then I highly recommend the Earth Magic trilogy. It is a well-written and exciting adventure that will keep you entertained from beginning to end.
