Selena began her acting career at the age of seven, appearing in the children's television series *Barney & Friends*. She later starred in the Disney Channel series *Wizards of Waverly Place*, which ran from 2007 to 2012. The show was a huge success, and it helped to launch Selena's career as a singer.

Music Career

Selena released her debut album, *Kiss & Tell*, in 2009. The album was a commercial success, and it spawned the hit singles "Naturally" and "Falling Down." Selena followed up with her second album, *A Year Without Rain*, in 2010. The album was also a commercial success, and it spawned the hit singles "Round & Round" and "A Year Without Rain."

In 2013, Selena released her third album, *Stars Dance*. The album was a departure from her previous work, and it featured a more mature sound. The album was a commercial success, and it spawned the hit singles "Come & Get It" and "Slow Down."

In 2015, Selena released her fourth album, *Revival*. The album was a critical and commercial success, and it spawned the hit singles "Good for You," "Same Old Love," and "Hands to Myself."

In 2020, Selena released her fifth album, *Rare*. The album was a critical and commercial success, and it spawned the hit singles "Lose You to Love Me," "Ice Cream," and "Wolves."

Acting Career

In addition to her music career, Selena has also had a successful acting career. She has starred in a number of films, including *Spring Breakers* (2013), *The Dead Don't Die* (2019), and *Only Murders in the Building* (2021).

Personal Life

Selena Gomez has been open about her struggles with mental health. She has been diagnosed with bipolar disorder, and she has spoken about her

experiences with depression and anxiety. Selena has also been a vocal advocate for mental health awareness.

In 2017, Selena underwent a kidney transplant due to complications from lupus. She has since recovered from the surgery, and she has continued to raise awareness about the disease.

Selena Gomez is one of the most successful and influential entertainers in the world. She is a talented singer, actress, and producer, and she has used her platform to raise awareness about important issues such as mental health and lupus.
